My heartfelt congratulations to Kolinda Grabar Kitarovic - I wish you every success for your presidency @kolindagk

Dear Ms President-elect,

On behalf of the European Commission and in my name, it gives me great pleasure to express my heartfelt congratulations to you on your victory in Croatia's presidential elections.

This was the first Presidential election in the Republic of Croatia as a Member State of the European Union.

This is of particular relevance bearing in mind the role you played in initiating the accession process leading to the membership of the Republic of Croatia in the European Union. Today, as you prepare for the significant and responsible duties of the highest office, I would like to express my wishes to working with you and with the Government of Croatia in implementing our common strategic agenda for the Union, focusing our action in areas where the Union can make a real difference such as on jobs, growth, investment and competitiveness.

This is essential for the prosperity of Croatians as well as of all Europeans.

Again, congratulations and I wish you every success for your Presidency.

With high regards and admiration.
