

Dear Mr Belet, dear Ivo,

I am writing to express, on behalf of the whole Croatian EPP delegation and personally, our deepest condolences to victims and to their families. We will not allow terrorism to defeat democracy and strongly condemn the horrible attacks that happened yesterday in Brussels.

We all work in Brussels and we consider it our town, therefore we shall all stand together in combating terrorism and any forces that seek to attack our values of freedom, democracy and human rights.

Our thoughts and prayers are with victims and their families.
